The Court orders that in lieu of granting the delayed application for leave to appeal, the motion to remand pursuant to MCR 7.211(C)(1) is GRANTED, and the matter is remanded to the trial court so that appellant may file, within 14 days, a motion with the circuit court that is limited to the issue of whether PRV 1 was properly scored, and if it was not properly scored, for resentencing within the corrected guidelines. Proceedings on remand are limited to the issues as raised in the motion to remand.
